AMERICA'S CAR MUSEUM®

Vehicle Donation Questionnaire

This document will determine the best option for your donation and how to best utilize the car. Some vehicles are kept in their original condition for display, and some are placed at public auction. Please also include a couple of recent photographs.

Please select your preference:

_____This vehicle is donated to the museum for auction, pick up as soon as possible. (Complete page 1 only)-The car must have a valid title and will be sold at auction, the gross proceeds will be the donation value.

_____I would like to donate my vehicle to the museum's collection. (Complete Page 1 & 2)

Note: We will not pick up the car until our committee has reviewed the donation and accepted it for inclusion in our collection.

Thank you for your support!

We accept property donations in two ways, those that are accepted into the museum's display collection and those that go to public auction with the proceeds going to support the Museum. Both options are completely tax deductible to the donor. However, as with any Museum, our collection is growing and changing so for any donation, we choose not to commit to a set of stipulations that may hinder future displays, restoration efforts, or sale at public auctions.
