

# A Car Named Lars

(Sung to the tune of "Sipping Cider")

There is a car  
It travels far  
When you turn the key  
Down roads it speeds.

We own the car  
And call it Lars.  
It has four doors  
And shiny floors.

We're buckled in  
Going for a spin.  
It's force you know  
That makes it go!

Its lights turn on  
When the sun goes down.  
Its wipers swish  
When raindrops splish.

A hybrid auto  
With a green motto.  
It goes to school  
and drives carpool.

But now it's time  
To say goodbye  
To our friend Lars  
Our favorite car!
